Men's Retreat

September 9th & 10th

BIOGRAPHY

For over 30 years, Dwight Peterson and his wife Bonnie have been in full-time ministry. Dwight was a youth pastor for 17 years, and has since served on the faculty at Clarks Summit University. Throughout this time, Dwight has also held a key role with Pilgrimage Educational Resources. With Pilgrimage, Dwight has been one of the main authors of OnTrack Devotions, an instructor in the W.I.L.D. discipleship program, and a wilderness guru. Whether in the classroom or in a canoe in the middle of nowhere, Dwight's passion is helping people grow in their faith through discipleship and the training of disciple makers. Dwight also has a strong desire to see men realize their potential in Christ to impact families, churches, and communities.
